Experience

Prime Industries (Prime Infotech)

Belgaum

Software / Full Stack Developer Intern

Dec 2025 – May 2026

Project: Machine Maintenance Monitor (IoT-based Industrial System)

- Designed and developed an **IoT-based machine maintenance monitoring system** to digitize manual shop-floor maintenance processes.
- Built a **Python + PyQt5 desktop application** communicating with hardware controllers over TCP to fetch maintenance data and monitor machine status.
- Designed and implemented the **SQLite database** for machine configurations, employees, daily / weekly / monthly maintenance logs and historical records.
- Developed modules for **Machine Master, Employee Master, Maintenance Tracking, Dashboard, Admin and Report Generation**.
- Implemented a **command-based hardware communication protocol** and modular application architecture using controllers, services, repositories, UI and database layers.
- Automated paper and Excel-based workflows, improving **maintenance traceability and reducing manual errors**.

Skills

Core: Java, Python, PyQt5, SQL, Git

Web Technologies: JavaScript, React, Node.js, Express.js, HTML, CSS

Databases: SQLite, MySQL, MongoDB, OracleDB

Tools/Platforms: VS Code, GitHub, Figma, Qt Designer

Project

StudyHub — Collaborative Learning Platform (*React.js, Tailwind CSS, Node.js, Express.js, MongoDB, Socket.io, WebRTC*)

- Developed a **real-time collaborative learning platform** enabling students to create and join secure study sessions.
- Integrated **real-time chat, video conferencing, collaborative whiteboard, file sharing, AI-powered search assistant and Pomodoro timer**.
- Built personalized dashboards with **study streaks and productivity statistics**, along with Social Hub, Kanban board and task management features.

Extra-Curricular Activities

- Secured **2nd Rank in Infinity Hunt**, a multi-round technical competition involving aptitude, logo identification and technical treasure hunt rounds.
- Active member of the college **Coding Club**; organized coding, technical and website-building competitions and contributed to event planning.
